Find Your Triad

A quick way of using triads today

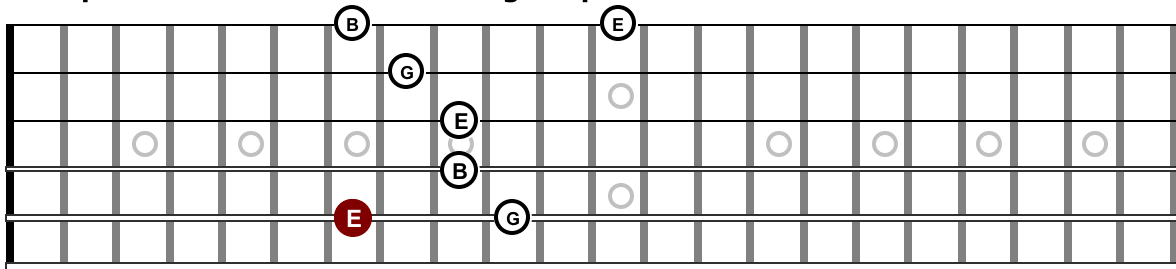

Find the 2-1-2 in it's first position version
(Root note on first finger, A- or E-string)

Then slide your first finger up to the second note of the arpeggio and play your triad from there.

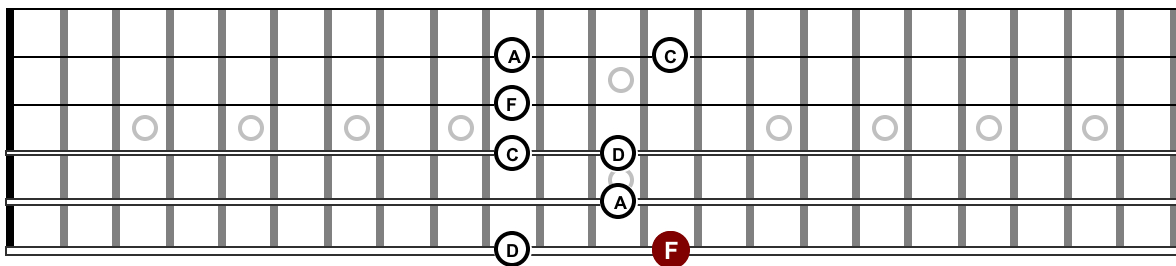

First position C-Major 7th 2-1-2 shape, A-string

First position E-Minor triad 5 string shape

First position D-Minor 2-1-2 shape E-string

First position F-Major Triad 6-string shape
